When you're late,  
Forget the date.

Whaddya say there muscled,  
Whats the scoop anyway? I noted  
in your last letter that you can  
type pretty good now. Do you think  
you'll be typing 50- words by the  
end of the school term. Well, I  
cant think of much to say right  
now except that I won't have  
the same address after tomorrow.  
Say Bill what was that I told  
you to find out about when  
I left? Did you succeed or not?  
You know I saw quite a fight

here in Long Beach the other  
night. It was between a Negro  
and a Mexican. The Mexican  
stabbed the Negro about three  
times in the chest and that was  
the end of the fight and the  
Negro too. Then the police came  
and caught the Mexican when  
he tried to get away and they  
didn't use their night sticks  
in a very easy manner either.

Well no more news so  
guess I'll close. Write more  
soon.

Take it easy there short-stuff

P.S. I'm not so  
big now, only  
171 lbs.

your Cousin  
Harold.
